

FIVE CRITICAL TIPS FOR TEACHING ONLINE

Elevate @ 

MAKE LEARNING ENGAGING

Ways you can engage students online:

- Ask probing questions
- Share perspectives from the field
- Create weekly videos (students and instructors)

USE MULTIPLE COMMUNICATION CHANNELS

Ways you can use multiple communication channels online:

- Use announcements and email
- Use a live session and a Q&A discussion board
- Provide individual and whole-class feedback

CREATE A SUPPORTIVE LEARNING ENVIRONMENT

Ways you can create a supportive learning environment online:

- Monitor and moderate the class climate
- Connect and relate with students
- Build community

GIVE FREQUENT FEEDBACK

Ways you can provide feedback:

- Emphasize ways to improve
- Give feedback students can use for their next task
- Share rubrics

BE PRESENT IN YOUR ONLINE CLASS

Ways you can be present in your online course:

- Join your class on multiple days
- Respond within 24 hours
- Offer office hours
- Consider adding a text (SMS) option to your class
